PROFESSIONAL SUMMARY

Property and operations manager with 9+ years running residential portfolios, leading teams and managing daily operations. Hands-on with Yardi Voyager and AppFolio across the full tenant lifecycle, from screening and leasing to rent collection, maintenance and move-out. Former owner-operator who trains staff, controls costs and keeps residents, owners and customers satisfied. Business Consultant Certificate (2026).

EXPERIENCE

Contracted FedEx Delivery Driver — 2023 – Present
SB Delivery

- Run assigned FedEx routes on schedule, managing time and route efficiency and resolving access and customer issues in the field.
- Support the owner with management duties and assist fellow drivers to strengthen daily team performance.

Senior Property Manager — 2023 – 2024
Cooper Management Services · Tacoma, WA

- Managed day-to-day operations for a portfolio of single-family homes and apartment complexes: repairs, maintenance coordination, move-ins and move-outs.
- Collected rent and tracked balances in Yardi Voyager and AppFolio; screened applicants with background and credit checks.
- Served as main point of contact for residents and applicants, resolving concerns promptly. *(Company sold by owner.)*

Assistant Manager — 2021 – 2023
Abby's Legendary Pizza · Myrtle Creek, OR

- Ran opening and closing operations, cash counts, video lottery reconciliation, sales reports and payroll documentation.
- Trained new hires, led peak-hour shifts and staff meetings; managed inventory to cut waste and enforced food safety standards.

Travel Agent Supervisor — 2019 – 2021
Amtrav · Remote

- Supervised customer service and booking operations, running call monitoring and QA checks for policy compliance.
- Negotiated discounted airline, hotel and car rental rates to maximize client savings; reconciled billing with accounting and vendors.
- Produced monthly reports on bookings, revenue per client and satisfaction; used survey data and scheduling to cover peak hours while limiting overtime.

Traffic Control Lead — 2016 – 2021
United Traffic Control Services · Kalama, WA

- Led and trained new crew members on safety procedures; partnered with project managers on traffic control plans and served as liaison with drivers and residents.

Property Manager / Owner — 2015 – 2020
Bish Cleanup · Kelso, WA

- Owned and operated a property management business covering multiple properties, from inspections and repairs to renovations and tenant turnover.
- Negotiated and enforced leases, kept properties compliant and reported performance and financial results to owners.
- Turned vacant units for move-in and oversaw landscaping, tree work and irrigation; controlled purchasing costs without sacrificing quality.

Assistant Manager — 2018 – 2019
Pizza Hut · Longview, WA

- Built weekly schedules to control labor costs, assisted with hiring and training, managed vendors and tracked sales and inventory in POS.
